SSC Fellowship Program Office

Dear AY06 Senior Service College Fellow:

Congratulations on your selection as a Senior Service College Fellow (SSCF). The U.S. Army Senior Service College Fellowship Program (SSCFP) is a Military Education Level-1 (MEL-1) producing program. A total of 48 Army officers were selected for a senior fellowship education in Academic Year 2005 and assignment to the U.S. Army War College (USAWC).

The USAWC and Carlisle Barracks are gearing up for your arrival, orientation, and inprocessing. The USAWC Fellowship Program Office, under my direction, is your primary point of contact; however, the Human Resources Directorate (HRD) will provide military personnel records and administrative support.

New SSC Fellows attend a mandatory Fellowship Orientation Program. Orientation is a week long and conducted in two parts. Although spouses may attend both parts, there are no informative briefings or activities designed for them and no reimbursable possibilities for their travel and lodging.

This year, orientation will be conducted from 23 July to 29 July 2005. The first 5 days are conducted at Carlisle Barracks (23 through 27 July) and the last 2 days in Washington, DC at the Pentagon (28 to 29 July). SSCF will depart Carlisle the afternoon of 27 Jul 05 and arrive in Washington, DC the evening of 27Jul 05.

Please plan to **arrive in Carlisle NLT Saturday, 23 July**. An earlier arrival must be approved by me. If traveling by air, you will arrive at the Harrisburg International Airport, approximately 40 minutes from Carlisle Barracks (I-76/PA Turnpike). Limousine and taxi services are available. A rental car for this travel is not authorized. Harrisburg International Airport customer support number is 888-442-5387. Pre in processing will begin at 1500 – 1700 on 24 July to prepare for your 25 July in processing. Only a copy of your orders and any amendments along with your DA 31 (Leave Form) are required on 24 July. I've schedule an arrival social at the Day's Inn on Sunday. The social will begin at approximately 1700 following pre-inprocessing. Inprocessing will take a full day and is scheduled for Monday, 25 July.

A schedule of individual appointment times for inprocessing will be developed and provided during your pre-inprocessing on Sunday, 24 July. For inprocessing on 25 July, please hand carry your APFT score card, personnel and finance records, plus extra and

legible copies of PCS, TDY, and amendments/orders. You will also need your APFT uniform if you require to be taped.

Upon receipt of your PCS orders to the Fellowship you must contact Mr. Fred Gleave by email at Fred.Gleave@carlisle.army.mil and FAX your PCS orders to him at commercial (717) 245-3988. Regular Army officers must initiate and coordinate their TDY orders from and to the Fellowship Site to the US Army War College Fellowship Orientation Program with Mr. Gleave as well. RC (USAR & ARNG) officers must coordinate PCS and TDY travel with their orders issuing authority. RC officers must coordinate with their orders issuing authority for any extended service beyond graduation for accrued leave use and ensure it is included in their orders.

Lodging at the two orientation sites is arranged. However, to secure a room at each location, we request that you:

a. Telephone the Days Inn-Carlisle at 717-258-4147 **NLT 31 May** to confirm a name reservation as an arriving SSC Fellow and member of the USAWC Senior Service College Fellowship. Because this is a block reservation, you cannot confirm toll-free, but you can claim the confirmation call on your PCS travel voucher. Checkout will be in the a.m. of 27 July, and your VISA charge will be \$58.50 per night for both a single or double. The Carlisle Days Inn is located at 101 Alexander Spring Road, Carlisle, Pennsylvania (Exit 45, I-81). A courtesy shuttle will be available at the Days Inn each morning for scheduled trips to and from Carlisle Barracks.

b. Telephone the Marriott Gateway, 1700 Jefferson Davis Hwy, Crystal City, Virginia at **1-800-228-9290 NLT 31 May** to reserve a room in your name as an arriving SSC Fellow and member of the USAWC Senior Service College Fellowship group. A block of rooms is available for 27-28 July and will only be open for your confirmed reservation through 31 May. Checkout will be in the morning of 29 July, and your VISA charge will be \$150.00 per night. Complimentary shuttle service will be available. If you need to stay an additional day you will need approval from the SSCF Program Director prior to your orders being published. Arrangements for group travel to the Pentagon will be finalized after your arrival in Carlisle. Although Carlisle Barracks will have shuttle transportation available car-pooling from Carlisle Barracks to Washington, DC is preferred. If you are planning a self-drive to Carlisle, please consider driving one or more of your classmates to the Pentagon Orientation in Washington, DC. Departure from Carlisle Barracks is tentatively scheduled at 1600, 27 July, and a rental car for this travel is not authorized. In order to confirm meals and other expenses, you must register for this event online at <http://www.eisenhowerseries.com/armyfellows/> NET 15 Jul. Registration questions or concerns can be addressed to Mr. Adam Morgan, Operations Director at 703-452-3861.

c. At the close of the Pentagon Orientation Program, you will be released for travel to your assigned fellowship location or the destination specified in individual travel orders. Orientation is scheduled to end NLT 1600 on 29 Jul 05. Early release from the Pentagon must be approved in advance by Army G-3, at 703-693-1048.

Additional Requirements:

Administrative: To accommodate your enrollment, we have provided an easy-to-follow checklist of all inprocessing requirements at the following link:

http://www.carlisle.army.mil/usawc/hrd/inprocessing_overview.html. All requirements must be completed **NLT 31 May**. The following Log-in _____ and Password _____ will enable you to complete **online** your Biographical Sketch and Name Tag Applications @ <https://daa.carlisle.army.mil/isol.cfm>.

If you have questions concerning these administrative requirements you may contact CW3 Shirley Rosencutter or SGT Albert McCall, telephone 717-245-3615/3362 or email ATWC-CHR@carlisle.army.mil.

b. Security: Please read and comply with Security instructions. Establish early contact with Ms. Cindy Arnold at telephone 717-245-4440 or at email Cindy.Arnold@carlisle.army.mil. By so doing, you will ensure validation of your security clearance in advance of arrival in Carlisle, as well as inclusion of your name in the USAWC database for future clearance verification requirements. In addition, if you are currently serving in a SCI position, your SSO must contact the Carlisle Barracks SSO at 717-245-3551 to transfer your status. All requirements must be completed **NLT 31 May**.

c. Wellness Assessment: Provided by the Army Physical Fitness Research Institute (APFRI) who will conduct 25 voluntary wellness assessments by appointment during inprocessing. Time constraints limit this opportunity to the first 25 SSC fellows who volunteer. If interested, you must complete a blood test analysis in advance of arrival in Carlisle. For additional instructions and information concerning wellness testing, see the wellness memorandum provided at the link above or contact Ms. Gwen Kuntz, (717) 245-4511 or gwen.kuntz@carlisle.army.mil **NLT 31 May**.

A program directive and procedural handbook will be distributed and briefed during the Carlisle Orientation. In concert, these two publications provide almost everything you need to know about your individual academic responsibilities and the procedures in place for obtaining support and assistance from the USAWC Program Office and the HRD. In addition, relevant briefings and handouts will be provided during Orientation and will explain other available services and sources of care for yourself and your family during the fellowship year.

You should arrive fully prepared to comply with Class A, B, and PT uniform requirements and with civilian attire for informal options—no cutoffs, shorts, or jeans. The Class B military uniform or business suit are standard wear for orientation and in processing. The Class A uniform is required for official photographs, class photo and could be designated for a DC social. If the Pentagon requests informal attire, gentlemen should wear a coat and tie and ladies, a business suit or dress. If casual attire is requested, gentlemen should wear a coat, but no tie, and ladies, a dress, skirt, or appropriate slacks and blouse. For reasons beyond our control, the Pentagon does not announce the clothing requirements for DC socials in advance.
